Who are we?

We are Southend-on-Sea Borough Council, Southend Association of Voluntary Services (SAVS), South Essex Community Hubs (SECH) and a host of wonderful volunteers from across the borough, who have signed up to support people in the community with their needs at this time.

Could you volunteer and work with us to help others?

If you are healthy, young and not pregnant, and would be able to help those who need it near you, then please do consider volunteering. Just fill in our short form and a representative will contact you to discuss how you might be able to help.

It's important to know that although we will do our absolute best to help as many people as we can, we have a finite resource, so please only call if you don't have other outside support. Save it for those who really need it. **And if you do need it, then we're here for you.**
